

# Want a new way to engage your students in learning?

Bring robotics to  
your classroom!

Come to a **free workshop** to learn about building robots and how to include them in your teaching.

- Build and program your own robot creature
- Interact with other teachers who have already used robots.
- Advanced instruction available for people who have already been using robotics.
- Funding Available for Robotics Programs!

**Saturday, November 7, 2009**

**10:00am to 1:00pm**

UMass Lowell  
3<sup>rd</sup> Floor, Olsen Hall

RSVP to [robots@cs.uml.edu](mailto:robots@cs.uml.edu)

**Additional UMass Lowell  
Robotics Events:**
